### Shoreview Community Foundation "Signature Project" Moves Forward

The Council approved an agreement with Brauer and Associates, a landscape architectural and park planning firm, to prepare schematic design for a "signature project" in the Shoreview Commons. The Shoreview Community Foundation recently approached the City and expressed an interest in collaborating on both the design and financing for a "signature project." The Foundation's concept was to create some type of pond overlook featured within the Shoreview Commons area near the pavilion.

The City received a proposal from Brauer and Associates, who proposed the original master plan for the Commons Area, to develop a schematic design for this project. The estimated cost for this work is \$5,500.

It is anticipated that a committee consisting of Community Foundation members, Park and Recreation Commission members, Council members and staff who will work with Brauer and Associates to develop a "schematic design" for this project. The Foundation will then use this design to conduct a fundraising drive to assist with the financing of this "signature project".

### Turtle Lake Augmentation Concept Study Approved

The City Council approved an agreement with Short Elliott Hendrickson, Inc. (SEH) to conduct a concept study to examine the potential augmentation of Turtle Lake. This study will examine potential water sources for augmentation, estimate both

commitment and operating and construction costs of an augmentation system, identify permits or approvals from outside agencies that would be needed. In addition, this study will outline options for the potential formation of a lake Improvement District.

The cost of the concept study is \$10,000, and will be split between the City and the Turtle Lake Homeowners Association.

### Other Council Actions

The City Council approved a minor subdivision for the property at 5277 Hodgson road. This nearly 4 acre property located on Turtle Lake will be divided into two single family residential lots with approximately 82,000 square feet of area. The property is located in the residential estate zoning district.

The City Council also appointed Lisa Shaffer-Schreiber to the Environmental Quality Committee. The Environmental Quality Committee advises the Council on issues relating to water quality, recycling, solid waste and the overall environment.

### Run & Romp: Saturday, May 7

The annual Run & Romp, a "six-leg" event, (you and your dog), will be held on Saturday, May 7, at 10 a.m.

Participants can do a 7.5K run at 10 a.m. or a 4K or 2K walk at 11:30 a.m. beginning at the Shoreview Community Center Pavilion. The run/walk will follow the trails of Snail Lake Regional Park. T-shirts for participants will be provided as well as bandanas and dog treats for dogs.

Pre-registration for the event is \$20 per person, \$15 for participants under 12 years. Raceday registration fees will be increased by \$5. All proceeds go to the Ramsey County K-9 Foundation, and to the Healthy Youth Foundation for Rotary youth scholarships.

### Environmental Quality Committee Hosts 2011 Speaker Series

#### **Curbside Collection of Organics - Pilot Program** **April 20, 7 pm City Council Chambers** **Eureka Recycling**

It's the newest frontier in recycling: organics composting. Eureka Recycling is wrapping up a study on collecting food waste including meat scraps, dairy products and non-recyclable papers from St. Paul residents. This organic material is then turned into nutrient rich

compost. Find out what Eureka Recycling learned about what works and doesn't work for curbside collection of organic material.

### Spring Cleanup Day to be Held Saturday, May 7

The City of Shoreview will host its Spring Cleanup Day on Saturday, May 7, from 8 a.m. to 4 p.m. at the Ramsey County Maintenance Center on Highway 96 and Hamline Avenue. More details will be available in the April ShoreViews.

### The Shoreview Northern Lights Variety Band Hosts Spring Concert

The Shoreview Northern Lights Variety Band will host its Spring Concert "From Sea to Shining Sea" on Saturday, April 16, at 7 p.m. at Bethel University. Tickets are \$10 each in advance or \$12 at the door and can be purchased at the Shoreview City Hall or by visiting their website at [www.snlyb.com](http://www.snlyb.com).

### SESCA Annual German Dinner to be Held on Saturday, April 16

Shoreview Einhausen Sister City Association (SESCA) will host their annual German Dinner on Saturday, April 16. The event will be held at the Gasthaus Bavarian Hunter, located in Stillwater. Entertainment for the evening will be provided by Kantorei Chamber Choir, an a cappella vocal ensemble. Social hour begins at 5 p.m. and will be followed by a German style buffet dinner at 6 p.m. The cost for the event is \$30 per adult and \$20 for high school students and those under the age of 18. The dinner is open to the public, but advance registration is required. For more details, visit [www.sesca.org](http://www.sesca.org)
